

# Golf Outing Tips

1. 2010 Golf Outing, we charged \$60 per Golfer. Typically the Golf Course will get \$37 of this fee.
2. 2011 Golf Outing, we are going to charge \$60-\$65 per Golfer and the course has raised its price to \$38 per golfer.
3. Approximately a month ahead of time, we need to inform the Golf Course how many golfers we have. This allows the golf course to supply the proper amount of carts.
4. An addition 2 carts are needed during this event for the Associations managers to run money to hole events and pickup and drop off works at the holes and bathroom runs.
5. Each hole event with workers should have the phone numbers of the Association managers so they can call in when money is needed, bathroom breaks, food and/or drinks. Typically the golf course doesn't like kids running events, but are willing to comply with this due to members golfing, thus creating a shortage of workers. So, let's try and maintain respectable young adults to handle these events.
6. Mailing Cards for the golf outing is usually prepared by EZ Print in West Salem. They are typically a card stock that is folded in half and a mailing label is placed on them.
7. Typically there should be 36 teams each consisting of 4 members. When booking the event, we try to book 40 teams due to last minute cancelations. If we do exceed 36 teams, the golf course will place 3 teams at certain holes to adjust for capacity.
8. As of 2011, the Association will assign and track Golf Carts to golfers. This will help the golf course to reduce the number of damaged golf carts and also provide ownership to any carts that are damaged.
9. Typically, a couple of days before the event, cooler space is usually required to hold Cole Slaw, Brats, Chicken etc... So finding a donor who would provide cooler space is valuable (i.e. American Legion Cooler, Krome's, etc...) The golf course cannot store our food prior to the event for legal reasons.
10. Fund Raising Event Ideas: Poker Run per designated holes (Whom ever has the best poker hand at the end of the outing wins), Chip into the Pond, Typical Hole Events, Pull Tabs, Wing Spans, Jar full of Gum balls or pennies to guess, Purchase Mulligan's before the event starts, Mark some drinks and if someone goes to buy a drink and it has a mark; it's a free round, 100 x 100 Sign up board for a Major Gift or cash, 50 x 50 sign up board for Major gift or Cash, Any Carnival Events i.e. (Puck Shot, Balloon Break, Knock Down Bottles, Duck Pull, Ball in Basket, etc..)
11. Possible thoughts might also be to offer free rides home after the event. "Prevent Drunk Driving"
12. After the event, PLEASE update/add the participants to the mailing list from signup slips that are filled out at registration.
