There was no meeting in June

### Just a friendly hello

Hello once again!

I hope you are all having a wonderful summer so far.

I'm sure you are all keeping plenty busy. (It never really ends does it?)

Even with all the running around; the sun seems to make everything seem a little more relaxing.

(Relaxing as it gets, right?)

I have run into many kids from the association so far this summer. Whether at a baseball game or at the West Salem pool. It's nice to see so many kids involved in so much. Any activity you can find outside sure helps to keep them from turning into couch potato's or walking, talking electronic

machines. (It also helps keep your house a little cleaner when the kids play outside) Ha Ha I can hardly believe it is already July.

I hope everybody has a safe and fun 4<sup>th</sup>. Shall we get down to business?

Sincerely,  
Kelly Cottrell

### Past events

#### Neshonoc Days

What a good time.

We made \$3,300 dollars that weekend. How awesome is that?

The money raised will help pay off the new ice resurfacers, and our new boards!!

It couldn't happen without the help of all the hands that were around. Many people took the time to help out in the chicken Queue, the Carp contest and the street dance events.

We deeply thank you and appreciate all your hard work, because you all have busy lives and still make the time to help. Thanks again!!

#### June Dairy days

What an awesome time!

So many kids and adults walked in the parade.

All the kids were on their best behavior. It was a very enjoyable walk!

We had a lot of help at the beer tent as well that night.

If you have never worked at the beer tent with the hockey association, as it was my husband and my first time this year. I would have to say it is an event you don't want to miss next year. It was a lot of fun & laughs. I will defiantly sign up in the years to follow.

For the members that have a hard time putting in their mandatory hours during the hockey season these events really are fun and easy ways to put in your work hours. Keep that in mind for next year. Once again everyone who helped out during the parade or at the beer tent is deeply thanked and appreciated. It just couldn't happen without your help.

#### The annual MOPAR Car Show

The annual MOPAR Car Show went very well!

A special thanks to Eric Hesselberg for heading that up every year.

And thanks to everyone who volunteered to help him out. I know Eric appreciates it a lot. So thanks again!

### **COACHING**

We are still in need of a couple coaches. If it is possible please help out. I know a lot of people have a lot of opinions from the bleachers; so let's see what you got! Let's make West Salem #1 in Hockey!

If you are interested in helping out please contact Marv Lehmann @ 786-0286

### **Referee**

A great way to improve your understanding of the game is to become a referee. This is true from both player and parent stand point. This is also a great way for kids or adults to make some extra money in the winter time.

If you are interested in becoming a referee this year please go to the Whoa (Wisconsin Hockey Officials Association website to register.) You can find a link on the state website @ [www.wahahockey.com](http://www.wahahockey.com)

### **Upcoming Events**

#### **Bangor Fun Days**

Don't forget about the Bangor Fun Days. Sunday Aug.12.

The W.S.H.A. will be walking in that parade as well. We really need to support the smaller towns around us. Bangor is one of the smaller towns that send their kids to play hockey. We need all the members we can get!

#### **Golf Outing**

The annual Slapshot Open Golf Tournament/Fundraiser is already in full swing. The committee is working hard to getting things ready for the event.

It is held on Saturday August 25<sup>th</sup>, 2007 at the Fox Hollow Golf Course in the town of Barre.

This is one of our biggest fundraiser of the year. We make a lot of money for the W.S.H.A.

It also is a lot of hard work from the people who help out with this event.

If you are interested in helping out that day, golfing in a team of four, or would like to donate anything for the raffle please contact Kelly Sandvig @ 786-4754 or Chase Miller @ 780-1505

#### **Piche'FALL Developmental League**

Just a friendly reminder;

If you are planning to send your skater to the Piche' Fall Developmental League, you should get them registered ASAP. There is a link to the Piche' website on [www.westsalemhockey.com](http://www.westsalemhockey.com), registration forms are available on-line, but registration must be

sent through regular mail. Right now, they are a bit short on Squirt level players, but the others are filling up; so you better act fast.

### **Outlook of the Month**

Something new I am putting into the newsletters this year is called "The Outlook of the Month."

There are many people in our association that go above and beyond what they are asked to do.

What makes some of these people stand out?

How do they have the time to juggle their busy lives, and help out so much at the same time?

When it all comes down to it; we all have busy lives. We all have children to attend to constantly.

Careers & jobs that take away energy and time.

Houses to be cleaned & maintained. Sports, errands, cooking...ok you get the point. We all do it.

So how do so many people find the time to help out in so many ways?

I would like to introduce you all to some of these people you see all the time around the rink, in one way or another.

Sometimes we only know people by their faces or names; but we don't realize all the time and efforts they put into our hockey association.

As I write my newsletters this year I am going to find out a little bit about some of these people.

(coming in August)
