It's July already!! Where has this year gone? Seems like we were just shoveling snow, and in another few short months, we'll be back to shoveling snow again. I think we should all think of that when we are sweating in this hot and humid weather!

Hope everyone had a safe and fun Fourth spent with family and friends. The weather wasn't the greatest, but when you're with the people you care about, it doesn't seem to matter.

Vacations and sports seem to make the summer fly by, so be sure to take the time to stop and appreciate all that you have. Relax and enjoy your family – be thankful you have them in your life. Be thankful for all the freedoms we have and that we take for granted, that so many other countries can't enjoy. Thank the next soldier you see walking down the street, for they truly are the ones who fight for us day in and day out – it's because of them that we are where we are today.

Happy Summer to all!!

Mary

Important Dates to Remember

- ✓ August – Bangor Fun Daze
- ✓ August 28 – Slap Shot Open

THANK YOU THANK YOU THANK YOU

The West Salem Hockey Association would like to send a huge and special thank you out to all our downtown bars. Thank you so very much to the American Legion, Westview, Krome's, Breakers and Hunter's for all of your support during Neshonoc Days.

Also big thanks goes out to Vermeers for the trailers!!!

Past Events

June Dairy Days -- The June Dairy Days committee was very pleased with the WSHA. The Saturday night that was staffed by our members was the busiest and most successful night on record. Thank you to all who helped out in the beer tent, and thanks to Dale Larson for taking charge of this event. Thanks also to Kelly Cottrell for heading up the parade again this year!!

Concerts on the Green -- This event was held on Saturday June 12, and although the weather wasn't the best, there was a pretty good turn out. You know you have die hard fans when they stand in the pouring rain listening to Skid Row!!! I think everyone had a good time - thanks to JC and Tom G. for coordinating this, and thanks to all who signed up to help.

Upcoming Events

Slapshot Open 2010

This year's Slapshot Open will be taking place on Saturday, August 28, 2010 at Fox Hollow. Committee meetings are taking place now to plan this fundraiser, so if you are at all interested in helping out, please contact Mike Gorniak at 797-2082, or contact a Board member. This does qualify for work hours, so please feel free to help out!! The more people we have, the faster and more efficient we can be with planning.

More Upcoming Summer Events

The Bangor Fun Dayz parade will also be another opportunity to get the word out about our association. Anyone willing to head up the parade in Bangor, please let the Board know. As soon as I get a date, I will pass all this info along.

Long Range Planning Committee

This committee has been put in place to look at our options for future growth. They spend countless hours talking to various community officials and groups to help determine what our future can hold. The WSHA and the planning committee are currently looking at options to expand and add on to the current Lion's Building, which includes new locker rooms, as well potential new bathrooms, storage facilities for the Ice Resurfacer, a locker room for Officials only. They are not only looking at what needs to be addressed 5 to 10 years down the road, but also at what our current needs are now in

the present. Big thanks goes out to everyone on this committee for all of your hard work and dedication to the betterment of our association. You have spent countless hours doing research and meeting with people, and this is only the beginning. Thanks to all of you, we can look forward to future growth and to the future successes of the West Salem Hockey program.

A Special Community Request

ACES is currently reaching out to inclusive, loving and nurturing host homes for high school exchange students from Europe, Asia, South America and more! Join us in our mission to promote global unity for all through educational and cultural experiences.

Host homes provide a bed and in-home meals. Students speak English; have personal spending money and health insurance.

This is a wonderful opportunity to share your family and embrace a global community.
